I am "readily familiar" with the firm's practice of collection and processing documents for mailing. Under that practice it would be deposited with the U.S. Postal Service on the same day with postage thereon fully prepaid at San Diego, California in the ordinary course of a business day. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing.

I declare that I am employed in the office of a member of the bar of this court at whose direction the service was made.

I declare under penalty of perjury under the laws of the state of California that the above is true and correct.

Executed on July 26, 2007, at San Diego, California.
